

## Sending in your sponsorship money

### Chest Heart & Stroke Scotland organised events

Unless otherwise agreed, full minimum sponsorship must be brought on the day of the event. This may take the form of a post dated cheque (for one month after the date of the event) to allow you to gather your sponsorship. Any additional sponsorship may, of course, be sent in later.

### Other events

Unless otherwise agreed, once you have completed the activity please forward the full balance of sponsorship you have raised, in the form of a cheque (payable to Chest Heart & Stroke Scotland) to the office closest to you.

**Please include all sponsorship forms used.**

### What we do

Chest, Heart & Stroke Scotland improves the quality of life for people affected by chest, heart and stroke illness in Scotland, through medical research, advice and information, and support in the community.

Chest, Heart & Stroke Scotland is the only charity in Scotland that deals specifically with chest, heart and stroke illness.

Every penny raised by CHSS is spent in Scotland.
